Don your glad rags (dress code is smart) and kick start the weekend at See Restaurant. Enjoy some gourmet canapes whilst listening to live music and mingling with old friends. A selection of beer/wine/bubbles and non-alcoholic beverages will be available AND for those looking for something a little stronger, bring your wallet!

Saturday 23 March 2024 - THE RECOVERY GATHERING

Rice Boi is a modern Asian street food style venue with plenty of indoor and outdoor seating overlooking the canal. So slip on your thongs/jandals and your sundress/shorts (whichever way you dress) for this casual gathering and head on down to meet us as we continue the craziness! Provided will be some tasty Asian grazing food, which should appease your appetite! Rehydration liquids in the form of water & non-alcoholic beverages will be available 😊, as will the "alcohol infused" beer, wine and bubbles that's until the bar-tab runs dry??

Dietary Requirements:

IMPORTANT – we are catering for a lot of people. Both venues will be offering various types of food so there will be plenty of options. For those that may have taste bud requirements, there will be two options "Take it or leave it", however those who actually have an 'adverse reaction' please advise, so that we can avoid any potential hospitalisation! We will need to know by 01 March at the latest!

**Don't forget to pack your sunglasses, sunblock,
swimmers/togs and brush off those dancing
shoes.....**

It's gonna be a big few days!!!!

See you all in March
